

Here are some of the ways that
SONGWRITING & MUSIC VIDEO
Programs reinforce the
Anchor Standards in the Common Core Curriculum

- Students will participate collaboratively in a range of conversations building on each others ideas.
- Students will analyze and interpret how words and ideas relate to a theme.
- Students will integrate their lyrics into diverse media formats including music, digital recording and performance.
- They will interpret and analyze the figurative meanings of words and phrases.
- Students apply knowledge of language to understand how language functions in different contexts, to make effective choices for meaning and style, and to comprehend more fully when reading or listening.
- Through making music videos they have the opportunity to make strategic use of digital media. Music videos dynamically make use of their words, graphics, images and audio.
